This year we had the largest crowd ever when we opted to allow close to 1000 attendees. The event was sold out in two days which is just another testimony to the fantastic job done by all.

At the 2018 Oyster Roast: We collected $292 plus 1,194 lbs. of canned/dry goods! That should be a NEW Alumni record in pounds of food! Donna donated this beautiful handmade Oyster Christmas tree as part of our raffle.
Donna was very appreciative as always, as she said the cupboards were getting kind of bare…..!
