

MISSION ACCOMPLISHED

Once again, Apprentices have come through for the sake of our school's history! The replica of the Huntington Pilot House Eagle is complete! And what a great job they did. We owe a huge "Thank You" to:

Brent Rolling (class of 1978) and his crew,

Tim Owens (class of 2014)

Zachary Hudgins (class of 2015)

Chris Perry (class of 2015)

Tamera Crosby (class of 2014)

If you see them, please congratulate them on a job well done!

When Chesapeake Bay Maritime Museum finishes with the restoration of the Huntington's pilot house, they can complete the job by adding this eagle to its rightful "perch" and the project can be complete.
